Naughty baby  
Naughty baby  
Who will tease you  
I can show the way  
And know the way  
To please you

If you're wanting a beginner,  
I shan't do  
I could make a saint a sinner  
When I want to

If you find  
The simple kind  
Are rather slow, dear,  
Then you ought to try  
A naughty one  
You know, dear

But you'll never meet another  
Who will be  
A naughty baby, naughty baby  
Just like me

If you want a girl who's sentimental,  
One who'll never set you in a whirl,  
One who will be always sweet and gentle,  
I am not that sort of girl

But if you prefer a rather swift one,  
If you think you'd like to run around  
With a bright one,  
I am just the right one

**INSTRUMENTAL INTERLUDE**

If you find  
The simple kind  
Are rather slow, dear,  
Then you ought to try  
A naughty one

You know, dear

But you'll never meet another who will be  
A naughty baby, naughty baby just like  
Naughty baby, naughty baby just like  
Naughty baby, naughty baby just like me
