It seems there's none for me although  
My aching heart discovers  
In a story play or picture show  
A host of perfect lovers

The first of all was Romeo  
That passion isn't cool yet  
This world would have a rosy glow  
If I had been his Juliet

For Antony, I'd learn to care  
Ah, he was strong and graceful  
If other lovers held two pair  
That fellow held an aceful

Somebody loves me, I wonder who  
I wonder who he can be  
Somebody loves me, I wish I knew  
Who can he be worries me

For every boy who passes me  
I shout, "Hey, maybe  
You were meant to be my loving baby"  
Somebody loves me, I wonder who maybe it's you

At one time, Harold Lloyd, I thought  
Was grand in every flashback  
To see him, oh, the seats I bought  
I wish I had the cash back

'Twas Big Bill Hart who took his place  
He's western and he's classy  
He had an open space's face  
And oh, girls, what a chassy

Then, Jackie Coogan came along  
He had the other shown-up  
And to him, I will sing my song  
As soon as he is grown up

Somebody loves me, I wonder who  
I wonder who he can be

Somebody loves me, I wish I knew  
Who can he be worries me

For every boy who passes me  
I shout, "Hey, maybe  
You were meant to be my loving baby"  
Somebody loves me, I wonder who maybe it's you
