What made good Queen Bess
Such a great success?
What made Wellington do
What he did at Waterloo?

What makes every Englishman
A fighter through and through?
It isn't roast beef or ale or home or mother
It's just a little thing they sing to one another

Stiff upper lip, stout fella
Carry on, old fluff
Chin up, keep muddling through
Stiff upper lip, stout fella
When the going's rough
Pip pip to old man trouble
And a toodly-oo too

Carry on through thick and thin
When you feel you're in the right
Does the fighting spirit win?
Quite quite quite quite quite

Stiff upper lip, stout fella
When you're in a stew
Sober or blotto, this is your motto
Keep muddling through

SCATTING INTERLUDE

When a bounder starts to hiss,
You must give him blow for blow
Make the blighter say, "What's this?"
'Ullo 'ullo 'ullo 'ullo 'ullo"

Stiff upper lip, stout fella
When you're in a stew
Sober or blotto, this is your motto
Keep muddling through

Keep muddling through

Keep muddling through
