(Are you ready?)

(Are you ready?)

I don't even know how to love you  
Just the way you want me to  
But I'm ready to learn  
Yes, I'm ready to learn  
To fall in love  
To fall in love  
To fall in love right now

I don't even know how to hold your hand  
Just to make you understand  
But I'm ready to learn  
Yes, I'm ready to learn  
To hold your hand,  
Make you understand  
To hold your hand right now

I don't even know how to kiss your lips  
At a moment like this  
But I'm gonna learn how to do  
All the things you want me to  
(Are you ready?) Yes, I'm ready  
(Are you ready?) Yes, I'm ready  
To hold your hand,  
Make you understand,  
To fall in love right now

Ooooooh

(Are you ready?) Yes, I'm ready  
(Are you ready?) Oh, I'm ready  
(Are you ready?) I'm ready  
(Are you ready?) Oh, I'm ready

(Are you ready?)  
(repeat and fade out)
