Well, the sun is surely sinking down  
And the moon is slowly rising  
So this old world must still be spinnin' 'round  
And I still love you

So, close your eyes  
You can close your eyes, it's alright  
I don't know no love songs

And I can't sing the blues anymore  
But I can sing this song  
And you can sing this song when I'm gone

It won't be long before another day  
We're gonna have a good time  
And no one's gonna take that time away  
You can stay as long as you like

So, close your eyes  
You can close your eyes, it's alright  
I don't know no love songs  
And I can't sing the blues anymore  
But I can sing this song  
And you can sing this song when I'm gone

La la la  
(La la la)  
You can close your eyes  
(La la la)  
You can sing this song  
(La la la)

La la la  
(La la la)  
You can close your eyes  
(La la la)  
You can sing this song  
(La la la)
