The one I've waited for
My love's design
The one He kept for me
Until it was time

The one that I dreamed about
The one I can't live without
The one He kept for me
Until it was time

I put my hand in yours
Now and forevermore
Just put your faith in me
I will be all that you need

I'd pray and wait for you
So patiently
And now He's blessed our love
For eternity

The one I was praying for
The one He delayed me for
The one He kept for me
Until it as time

All that I want to be
Is all that you'll ever need
I praised Him for the day
He let you pass by my way

The one that I dreamed about
The one I can't live without
The one He kept for me
Until it was time

I put my hand in yours
Now and forevermore
Just put your faith in me
I will be all that you need

All that I want to be

Is all that you'll ever need
I praised Him for the day
He let you pass by my way

The one 'I've waited for
My love's desire
The one He kept for me
Until it was time
