You can play a song
I'll send a groove
You can break it down, break it down, hey

You can play a song
When you see me move
Make it turn around, turn around

Oh, I know you
Checkin' on me
I should be checkin' on you, oh

Give me the green light
I'm ready to go
Hit up the start line
I'm breaking the floor
I'm gonna take you
I'm gonna shake you
No one's gonna lose
Walkin' in my shoes
I'm stopped at a red light
I'm on the roll
When you turn up the music
I'm out of control
I'm gonna take you
I'm gonna shake you
No one's gonna lose
Walkin' in my shoes

Lights come on
I can feel the heat
Then I'll hit the floor, hit the floor

When the curtain's up
Flying on my feet
You'll be wanting 'em all, wanting 'em all, oh

Oh, I know you
Checkin' on me
I should be checkin' on you, oh

Give me the green light
I'm ready to go
Hit up the start line
I'm breaking the floor
I'm gonna take you
I'm gonna shake you
No one's gonna lose
Walkin' in my shoes
I'm stopped at a red light
I'm on the roll
When you turn up the music
I'm out of control
I'm gonna take you
I'm gonna shake you
No one's gonna lose
Walkin' in my shoes

Give me the green light
I'm ready to go
No one's gonna lose
Walkin' in my shoes

Give me the green light
I'm ready to go
Hit up the start line
I'm breaking the floor
I'm gonna take you
I'm gonna shake you
No one's gonna lose
Walkin' in my shoes
I'm stopped at a red light
I'm on the roll
When you turn up the music
I'm out of control
I'm gonna take you
I'm gonna shake you
No one's gonna lose
Walkin' in my shoes (x2)
