Wonderful oh it wonderful  
To be in love with you  
Beautiful you're so beautiful  
You haunt me all day through

Every little breeze seems to whisper louise  
Birds in the trees seem to twitter louise  
Each little rose tells me it knows I love you love you  
Every little beat that I feel in my heart  
Seems to repeat what I felt a the start  
Each little sigh tells me that I adore you louise  
Just to see and hear you is joy I never knew  
But to be so near you thrills me through and through  
Anyone can see why I wanted your kiss  
It had to be, but the wonder is this  
Can it be true someone like you  
Could love me Louise

(Interlude)

Every little breeze seems to whisper louise  
Birds in the trees seem to twitter louise  
Each little rose tells me it knows I love you love you  
Every little beat that I feel in my heart  
Seems to repeat what I felt a the start  
Each little sigh tells me that I adore you louise  
Just to see and hear you is joy I never knew  
But to be so near you thrills me through and through  
Anyone can see why I wanted your kiss  
It had to be, but the wonder is this  
Can it be true someone like you  
Could love me Louise

(Breif interlude)

Just to see and hear you is joy I never knew  
But to be so near you thrills me through and through  
Anyone can see why I wanted your kiss  
It had to be, but the wonder is this  
Can it be true someone like you  
Could love me Louise
