First kiss, first time, first love, first love.  
Woo woo woo woo yeah I remember.  
You used to be so sweet and kind  
And baby, you were mine  
Woo woo woo woo yeah I remember.

The sweet things you said to me  
Went straight to my head.  
Now you're loving someone else  
And I wish it were me instead.

The sweet things you said to me  
Went straight to my head.  
Now you're loving someone else  
And I wish it were me instead.

You used to be so sweet and kind  
And baby, you were mine  
Woo woo woo woo yeah I remember.

Whoa hoo hoo hoo I remember  
Everything we used to do  
And the way we used to play
