i've been searching  
all over the world  
for someone just like you  
you're my kind of girl

so lay your body down next to mine  
relax now baby and we'll be fine

(ref)gonna give you all my lovin'  
night and day  
baby you're my religion  
hear me pray

i was so lonely  
my friends used to say:  
"you should find somebody boy  
to take that blues away"

but it never felt right 'til i met you  
you came into my life  
and you made me feel brand new

(ref)gonna give you all my lovin'  
night and day  
baby you're my religion  
hear me pray

gonna give you all my lovin'  
i'm on my knees  
this feeling is mountain high  
baby it's river deep

wanna give you all my lovin'...
