Gal me love how your body look  
Gal bring me by me  
You take a page from Rihanna book  
You sexy and you no crony

Gal you get me horny  
Gal bring your body by me  
Me gal a new one so me want it  
You sexy as you look

From you know say you hot like the sun  
You a number 16, you forever young  
You no big like stadium  
But you make me sit in tough like titanium  
High grade inna my cranium  
Magnum if it make baby come  
Top class jocky make shocky run  
Me haffi hold on pon are hand she take a seat and she  
dung

To how you back it up pon the front line  
You make me haffi see a stunt time  
Some gal only bad sometime  
But when me see a gal a fun time

Gal me love how your body look  
Gal bring me by me  
You take a page from Rihanna book  
You sexy and you no crony

Gal you get me horny  
Gal bring your body by me  
Me gal a new one so me want it  
You sexy as you look

Gal whine, whine, whine pon time  
My girl, way you a move, you a rock my world  
You bend your back then you twerk  
Rock it to the right, to the left, then you twerk  
The way how you climb up the ladder, girl  
Ya know me never see a badder girl

Is like me there, in another world  
Where me no wanna see another girl  
Patsy did a call me, what you need?  
Suzie did a call me, what you need?  
Your car broke down a the jack you need  
The gal them saw double G a di shatter bread

Gal me love how your body look  
Gal bring me by me  
You take a page from Rihanna book  
You sexy and you no crony

Gal you get me horny  
Gal bring your body by me  
Me gal a new one so me want it  
You sexy as you look
