[Verse 1:]

Back in penitentiary

Long gone misery

Left me alone, I grew up

Amongst the mad breed

So many homies in the cemetery

Seem as if I am a missionary

But when am gone

Know my mamma

Gonna cry for me

[Chorus:]

Dying

Ay, yea yea yea, Wa ooh ooh

Dying

Ay, yea yea yea, Wa ooh ooh

From all the pressure

And all the pain,

I spend my time down stairs
I live in bed
You know my destiny is hell
But till I fear
My mind is so misleading
I couldnt see
I gotta brain full of demons
Tryin to break free
I know one day
When, (Ay)
But when I die
I be steppin with my father
And the most high w

No one knows my struggle
They don't know my trouble
Son you must go on
Because ya momma love you
They don't wanna see me rich
They wanna see me poor
Gangsta 4 life, I see you running
