Even if they lock mi up and throw away di key
Stulla a go sing
And I mean

I was born in the street I'm a fighter
I was born as a survivor
Hear my song, hear me again, I'ma fly again
Even when they try to break me
I got them doing greatly
Hear my song, hear me again,

I'ma grow my wings again, I'ma fly again
Don't know how, don't know when, I'ma fly again
I'ma grow my wings again, I'ma fly again
Don't know how, don't know when, I'ma fly again

Di street loves me dearly
They can't see me, but I know they hear me
They can't touch me, no they feel me
Flow so magical like a genie
From day 1, believe in yourself
Don't let vanity mek you deceiving yourself
Me coulda never change
But some bwoy mek di devil stick dem and lead dem to
hell
Dem lock me up, have me grieve in my cell
I'm sayin to myself 'When am I leaving this hell?'
To all my thugs in detention
Doing life and still got extension
I'm serious

I was born in the street I'm a fighter
I was born as a survivor
Hear my song, hear me again, I'ma fly again
Even when they try to break me
I got them doing greatly
Hear my song, hear me again,

I'ma grow my wings again, I'ma fly again
Don't know how, don't know when, I'ma fly again
I'ma grow my wings again, I'ma fly again

Don't know how, don't know when, I'ma flee again

Promise a payback to my enemies in time
Now you listening, yuh know this girl is mine
I'm the devil in the dirt they couldn't find, yeah
Shock me up, wanna see me suffer
But I survive as tings get tougher
Wasn't there when I was going through this gutter,
gutter
I know you wanna get me down, I know you trying very
hard
But I'm still here in this jungle, sending my regards

Cause I was born in the street I'm a fighter
I was born as a survivor
Hear my song, hear me again, I'ma fly again
Even when they try to break me
I got them doing greatly
Hear my song, hear me again,

I'ma grow my wings again, I'ma fly again
Don't know how, don't know when, I'ma fly again
I'ma grow my wings again, I'ma fly again
Don't know how, don't know when, I'ma fly again
I'ma grow my wings again, I'ma fly again
No, no, no, no, no
