Oh the city's like a fire, like a fire  
Show no sympathy, oh no  
I'll be way up on the mountain, pon the mountain  
When they come for me yea yea  
Cause am a survivor, survivor, am a survivor, oho  
Cause am a survivor, survivor, am a survivor, oho  
When my enemies surround me, Nuttin mi nuh fear  
Cause dem know which part fi find mi,  
I am like a flare, Mama knew dem wan fi kill me,  
Tell mi dem ago si mi, A nuh now dem want fi kill mi  
Who cares? cause god is my provider, yea  
Everyday I Get wiser, I live by the sword  
Oh the city's like a fire, like a fire  
Show no sympathy, oh no  
I'll be way up on the mountain, up on the mountain  
When they come for me yea yea  
Cause am a survivor, survivor, am a survivor, oho  
Cause am a survivor, survivor, am a survivor, oho  
Seems there is no sympathy, or no mercy for the weak  
won't surrender nor retreat, i'll make you remember  
me  
and for those who want to kill me, know exactly where  
to find me  
down in a concrete, jungle, if i don't kill you first, and  
please don't tell me  
a hundred miles and running, i never back down, am  
an outlaw coming  
artillery look stunning, m16 tall, Damit  
Cause am a survivor, survivor, am a survivor, oho  
Cause am a survivor, survivor, am a survivor, oho  
Am so high up on the mountain, can't find my way back  
down  
Watch mi flow just like a fountain, solid as the ground  
Once mi got up, den mi haffi come down  
Revolution time, revolution sound  
We di best a di talk a di town  
We get the rest a di talk a di town  
All who want fi kill mi, Tell dem mi care zero  
Cause am a champion, am a hero  
Cause am a survivor, survivor, am a survivor, oho  
Cause am a survivor, survivor, am a survivor, oho
