Gal say she wicked and both know she ain't kidding  
Aw, tell me what she did  
Gal say she wicked and both know she ain't kidding  
Aw, she whine for our pity

Gal say she wicked and both know she ain't kidding  
Aw, tell me what she did  
Gal say she wicked and both know she ain't kidding  
Aw, I say she X-rated

Take off the point the, Imma start it too deep  
Hot sunny day but me cold like a fridge  
Bad boy style busted out like music  
She priceless like the house where me live  
A class gal drive in a S class  
Bump a cock up pon the bike when me pass  
Gal body shape like a real hourglass  
So she take it to the gully side boss

Gal say she wicked and both know she ain't kidding  
Aw, tell me what she did  
Gal say she wicked and both know she ain't kidding

Who them a recon you no wear second hand  
Gucci, Prado, Louis, Louis Vuitton  
Anything you wear you pop the tag first  
Dem gal there dead and a hide from the hearse  
Stand up and dance drop down from the thirst  
Silver you get when you look in a the peers  
Why do some gal curse them a curse  
Gal left them in a reverse.
