When you were not watching over
She exists and you don't notice
As a whirlwind sweeps you into
Don't now spiral down with you into
Whoo ooh
Whoo ooh
The fantasy comes true
Whoo ooh
Whoo ooh
The pot is left to brew
Ooh ooh ooh
Ooh ooh
And your fantasy comes true
You're lying in your bed
And dreaming but it's true
You never thought that what you think
Could make a difference
And now you find you're in a bubble
That's been made for two
Now she doesn't know where home is
She's not alone and he's in a twist
We are watching from our distance
It's a forcefield strong enough to bounce
Whoo ooh
Whoo ooh
The fantasy comes true
Whoo ooh
Whoo ooh
I hope it's real for you
Ooh ooh ooh
Ooh ooh
And your fantasy comes true
You're lying in your bed
And dreaming but it's true
You never thought that what you think
Could make a difference
And now you find you're in a bubble
That's been made yeah
And your fantasy comes true
You're lying in your bed
And dreaming but it's true

You never thought that what you think
Could make a difference
And now you find you're in a bubble
That's been made for two
