Be my love and go away
I close the door
There are no words left to say
We spoke them all
A da da dada da da da
A da da dada da da da
I am aching now
I'd turn it backwards for you
Can't find a lever
I'd take it forward for two
Can't find
Can't find a lever
Lightning strikes a storm in my head
To wake what was asleep
And if you'd care to know that
There are no shelters for this
I paddle waters deep da da da da da da
Da da dada da da da
A da da dada da da da
A rainbow breaks the storm
I'd turn it backwards for you
Can't find a lever
I'd take it forward for two
Can't find
Can't find a lever
Our eyes are safer in the dark
So we can't see what we have burned down worn out
All there is is just a tiny spark
Is it what's left or signs of what could should be?
Haaaaaaaah
(Haaaaaaaah)
Haaaaaaaah
(Haaaaaaaah)
I'd turn it backwards for you
Can't find a lever
I'd take it forward for two
Can't find
Can't find a lever
I'd turn it backwards for you
(can't find a lever)
I'd take it forward for two

(can't find)
(can't find a lever)
