It's true
You've been a long time at sea
What's new?
You come home with no eyes for me
Well I can't wait not now
I'm too busy
Running around
With myself
Oh oh oh
You're home
From travels that I can't imagine
It's grown
The distance is greater so listen
I can't break your heart
It's too busy
Sailing around
The sea
The sea
La la la la la
Oh oh oh
Those nights
I watched the stars that I named you
And I'd wonder
Just how many moons would I sit through
Then it all turned bright
I no longer
Sit up at night
Missing you
La la la la la la la
