"Melt"

Visit "[Melt](#)" on MotoLyrics.com

Hey you
What's that sound?
Little bits of warning bouncing off your
Head suck
Suck me dry
Bow down baby to the vampire inside
Aaaaaaaaah
Hey you
What's your problem?
You got fucked by the head you're fucking
Kiss of
Death you bet
Try me baby bite my head
Head
Head
Head
Ooh ooh ooh ooh ooh ooh
You and I are gonna melt together
Ooh ooh ooh ooh ooh ooh
You and I are gonna melt together
Melt together
Hey you
Don't belong
In my veins or in my song left
Open for the ride
Watch me baby come inside
You know you know I'll never tell a lie
Aaaaaaaaah
Ooh ooh ooh ooh ooh ooh
You and I are gonna melt together
Ooh ooh ooh ooh ooh ooh
You and I are gonna melt together
Ooh ooh ooh ooh ooh ooh
You and I are gonna melt together
Ooh ooh ooh me and you
You and I are gonna melt together
Melt together
Hey you
Don't belong
In my veins or in my song left
Open for the ride

Watch me baby come inside
You know you know I'll never tell a
Lie you
What's that sound?
Little bits of warning bouncing off your
Head suck
Suck me dry
Bow down baby to the vampire inside
Ooh ooh ooh ooh ooh ooh
You and I are gonna melt together
Ooh ooh ooh ooh ooh ooh
You and I are gonna melt together
Ooh ooh ooh ooh ooh ooh
You and I are gonna melt together
Ooh ooh ooh me and you
You and I are gonna melt together
Melt together
