It is so small
Bring it home
I watched you dance inside your pants
I meet your eyes and what they have to say
Whoa yeah!
You're beating fast
Won't you go slow?
I beg you but ah I know
I know I know I know I know I know
I know I know I know that you're a...
Naughty Boy!
A silly little wind up toy
C'mon, c'mon, c'mon, c'mon, c'mon
Naughty Boy!
A silly little wind up toy
C'mon, c'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon, c'mon
Out my mouth
Over my tongue
Just take it off just she'd your skin
It's all your dreams and all your fantasies
Whoa yeah!
So take my hand
The angel man
We'll fly, we'll fly, let's go, let's go
Let's go, let's go, let's go, let's go
You're so shy but you're a...
Naughty Boy!
A silly little wind up toy
C'mon, c'mon, c'mon, c'mon, c'mon
Naughty Boy!
A silly little wind up toy
C'mon, c'mon, c'mon, c'mon, c'mon
Naughty Boy!
Naughty Boy!
Naughty Boy!
Wind up toy
C'mon, c'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
I bet you say that to all the boys!

I watched your anger
Watched your pain
You drank too much
Or maybe you're insane
Whoa yeah
You're beating fast
Won't you go slow
I beg but oh I know
I know, I know, I know, I know, I know,
I know, I know, I know that you're a...
Naughty Boy!
A silly little wind up toy
C'mon, c'mon, c'mon, c'mon, c'mon
Naughty Boy!
A silly little wind up toy
C'mon, c'mon, c'mon, c'mon, c'mon
Naughty Boy!
Naughty Boy!
Naughty Boy!
Wind up toy
C'mon, c'mon, c'mon, c'mon, c'mon
