Just leave me in the sand  
Just leave me in the water  
Don't make me hold your hand  
Through the whole boring summer  
I'd like to be alone  
So go find another  
Get away  
I've got to got to get away  
Summertime is moving slower  
Don't make me hold your hand  
Through the whole boring summer  
Get away  
I've got to got to get away  
Summertime is moving slower  
Just leave me off your list  
Just leave me out of order  
Don't try to steal a kiss  
Through the whole boring summer  
Through the whole boring summer  
Through the whole boring summer  
Get away  
I've got to got to get away  
Summertime is moving slower  
Get away  
I've got to got to get away  
Summertime is moving slower  
'Cos I'm a snakey boy  
The sting inside the joy  
I won't be so much fun  
So just enjoy the sun  
Take my advice and run  
So just leave me in the sand  
Just leave me in the water  
Don't make me hold your hand  
Through the whole boring summer  
Don't call me on the phone  
I wanna be alone  
You're cool don't get me wrong  
It's just I don't belong  
Don't make me hold your hand  
Don't make me hold your hand

Don't make me hold your hand  
Through the whole boring summer  
Get away  
I've got to got to get away  
Summertime is moving slower  
Stay away  
I've got to got to stay away  
Summertime is moving slower  
Get away  
I've got to got to get away  
Summertime is moving slower
