### "U Will B Moved"

Visit "[U Will B Moved](#)" on [MotoLyrics.com](http://MotoLyrics.com)

U will be moved when the baby lets out his very first cry  
U will be moved when U think of how hard he'll have 2  
try  
He'll grow up on an empty stomach, but he'll try his  
best 2 listen  
2 the teacher readin' from a schoolbook with half the  
pages missin'

Surely when the rain comes, U will be moved  
La da da da da  
See the video

U will be moved, and U will be when the baby makes all  
the grades  
U will be moved, and U will be when they still don't hire  
him anyway  
Moved by a system without one single guarantee  
That an education is the answer and love will set us  
free

Surely when the rain comes, U will be moved  
La da da da da  
See the video

Oh, U will be moved when the rain comes, oh yes, U will  
be moved  
When the streets overflow with angry souls, that's when  
U see the truth  
When the pain that U've inflicted comes back on your  
door 2 roost  
(Back on your door 2 roost)  
That's when U'll see the future (future), but U won't see  
U

Surely when the rain comes, U will be moved  
La da da da da  
See the video

U will be moved when the whip comes down  
On the back of one of your own  
U will be moved when U look 4 compassion

But U find U're all alone  
Moved, and U will be  
When U are, that's when U'll know  
That the bread U share is better than the blood  
That your deeds have caused 2 flow  
(That the bread is better than the blood)

Surely when the rain comes, U will be moved  
La da da da da  
See the video

Hey, U will be moved when the rain comes, oh yes, U  
will be moved  
When the streets all flow with angry souls, that's when  
U'll see the truth  
When the pain that U've inflicted comes back on your  
door 2 roost  
(Back on your door 2 roost)  
That's when U'll see the future (future), but U won't see  
U

I said surely when the rain comes, U will be moved  
La da da da da (La da da da da)  
See the video

Hey, surely, surely, surely (when the rain comes)  
Surely y'all  
Ow, la da da da da
