Be my love and go away  
I close the door  
there are no words left to say  
we spoke them all  
a da da dada da da da  
a da da dada da da da  
I am aching now  
I'd turn it backwards for you  
can't find a lever  
I'd take it forward for two  
can't find  
can't find a lever  
Lightning strikes a storm in my head  
to wake what was asleep  
and if you'd care to know that  
there are no shelters for this  
I paddle waters deep da da da da da da  
da da dada da da da  
a da da dada da da da  
a rainbow breaks the storm  
I'd turn it backwards for you  
can't find a lever  
I'd take it forward for two  
  
can't find  
can't find a lever  
Our eyes are safer in the dark  
so we can't see what we have burned down worn out  
all there is is just a tiny spark  
is it what's left or signs of what could should be?  
Haaaaaaaah  
(Haaaaaaaah)  
Haaaaaaaah  
(Haaaaaaaah)  
I'd turn it backwards for you  
can't find a lever  
I'd take it forward for two  
can't find  
can't find a lever  
I'd turn it backwards for you  
(can't find a lever)  
I'd take it forward for two

(can't find)  
(can't find a lever)
