Just leave me in the sand
just leave me in the water
don't make me hold your hand
through the whole boring summer
I'd like to be alone
so go find another
Get away
I've got to got to get away
summertime is moving slower
Don't make me hold your hand
through the whole boring summer
Get away
I've got to got to get away
summertime is moving slower
Just leave me off your list
just leave me out of order
don't try to steal a kiss
through the whole boring summer
through the whole boring summer
through the whole boring summer
Get away
I've got to got to get away
summertime is moving slower
get away
I've got to got to get away
summertime is moving slower
'Cos I'm a snakey boy
the sting inside the joy

I won't be so much fun
so just enjoy the sun
take my advice and run
So just leave me in the sand
just leave me in the water
don't make me hold your hand
through the whole boring summer
don't call me on the phone
I wanna be alone
you're cool don't get me wrong
it's just I don't belong
Don't make me hold your hand
don't make me hold your hand

don't make me hold your hand
through the whole boring summer
Get away
I've got to got to get away
summertime is moving slower
stay away
I've got to got to stay away
summertime is moving slower
get away
I've got to got to get away
summertime is moving slower
