And you gotta lot of rocks on your arm(rocks on your arm)

Before she suck on da dick

She drizzes on da dom perrion (dom perrion)

It's a shame that you famous why you

Always fuckin wit ma head (fuckin wit ma head)

Cuz I'm sumthin like a pimp

Juss tell me where da fuck is ma brand (fuck is ma brand)

Hey baby I thought u was in love

You turned out to be a 10 and I thought you was a dub

But that's what I get for judging a book by it's cover

Role play convect ceo and crook by the covers

Plus I'm closer then my brother

Many bitches I fuck em burners they clutch em

Max will go back to murder it's nofin

I be just be tryin to chill

Instead theses niggas check me

Want me to put it in they brain

And pop until it's empty

Call ma niggas nitty and richie

Bring a couple of fiftys

Them smiley faces they good they got em by the plenty

And they lovin me in da city they like bigavel

Push up on him while he aint lookin

Take the nigga gail

Every thing I touch is a way

She told me take da hat off come inside
