Chorus:

You have to battle if you want my ho
Y'all can't have none of that, tell 'em what to say Max
Say, no go
Nigga tryna live comfortable
Nigga tryna smoke blunts wit' you
Tryna go to the movie
Can a nigga make love to you
Nigga tryna live comfortable
Nigga tryna smoke blunts wit' you
Tryna go to the movie
Can a nigga make love to you

Verse 1:

PD3, I'ma do it again, over there with me and Peezly
Baby know you wanna come and tease me
Hit it from the back and the beamer
Roll up another piece, mami she a steamer
Put your lips on it, shorty tryna bone me
Pour it in a cup like pee-pee, Kiki
That's my bitch, plus she sneaky, good for a couple of
ones
Know I got a couple of guns
Come and roll wit' a nigga, bitch, that'll take you places
Everywhere I go, same faces
This bitch, that bitch, big dick, fat dick, put it up in ya
butt
Got her like "Nigga, what?"
Got 'em in the cut, I can double-back, that's my shit
Had a nigga like "That's my bitch
Damn Biggaveli, I was in love
But since it was you, fuck it nigga do what you want
Uh, uh

Chorus:

You have to battle if you want my ho
Y'all can't have none of that, tell 'em what to say Max
Say, no go
Nigga tryna live comfortable
Nigga tryna smoke blunts wit' you
Tryna go to the movie

Can a nigga make love to you
Nigga tryna live comfortable
Nigga tryna smoke blunts wit' you
Tryna go to the movie
Can a nigga make love to you

Verse 2:

December 23rd, I was chillin' with Smoove
Had a lotta piff in the air, I was feelin' the groove
Seen a lil' young bitch, nice lil' hips, I was ready
Told me that she wanna go steady
Ready, fuck her on the first day, want you in the worst
way
Shorty tried to put it on me
Lonely, Maxi, baby, wavy
Pour it in me more like Katie
Hit it on the strip like "Oww, Oww"
Pretty bitches is wild, they be lovin' my style
Money, got it in pounds
Baby won't you come and perform
She be tremblin', shakin', I can make her cum in her
drawers
I can hit it from the back, spank it till it's red
I'ma sit it on the lap, she back up in the bed
I'ma get 'em, hit 'em with that like I filled 'em with lead
Bitch, go get my muthafuckin' bread
Dig it

Chorus:

You have to battle if you want my ho
Y'all can't have none of that, tell 'em what to say Max
Say, no go
Nigga tryna live comfortable
Nigga tryna smoke blunts wit' you
Tryna go to the movie
Can a nigga make love to you
Nigga tryna live comfortable
Nigga tryna smoke blunts wit' you
Tryna go to the movie
Can a nigga make love to you
