I run circles around rap niggas, bring em on.
This the anthem bitch won't you sing along.
Need a score, I'm the one to call .
Threw some plans around, there's a new mayor in
town.
Max Bloomberg baby, grease got the good goon
music.
Fire up the doom ship, oh shit.
You offended me homes, your injury prone, when guns
pops, get the fuck off the phone.
I'd done stepped my shit up another notch
Kill his bitch dead, he gonna need another box she
covered in rock like eskimo.
Ten bricks left to do, my niggas gain green like
vegetables.
I get next to you, if you loose me, and even with your
jewerly.
I never let the nigga out do me, nigga better stick to
the movie.
Yous trick and a drag, tell Jim he can kiss my ass,
owwwwww.

Money make me feel so, money make me feel so
better.
Mami like it real slow, won't nothing stop me from
getting this cheddar.
Them niggas is coming real close, I said this rap shit
getting me fed up.
My niggas got real coke.

You see here where it all boils down to.
You can keep the publishin, imma keep the other shit.
I be on some other shit, real estate stock got prada. My
mama she like to wear cabana.
Ya honor I swear I tell the truth, the whole truth. Silver
beamer with the blue tooth.
Is a new coop, is a new loop, got it sitting all clean.
And I cop the shit a new boost, nice.
90 was the price, thats the third car. Three months,
four chicks, three blunts, fuck em' all.
Like a pimp I be, I'm the illest nigga in NYC.

Got the best hooks, best hooks, bitches say I got the
best cock, and it's hard like textbook.
Imma strike upon thee with the vengeance, fill you with
some holes.
May Father God bless your soul, caught this nigga here
like the exonol.
I'm next to blow, pistol whip to check the hoe.
Double deck the flows, baby eat up.
Keep my feet up, cross the front line, get beat up, ow.

Money make me feel so, money make me feel so better
