### Verse 1:

Baby I can get in ya mind  
I can make you never love another bitch  
Smoke the haze to soothe yo' mind  
While you stressin' won't you come and get this dick  
I doggystyle then she oww oww oww  
She likes to get wild, she likes to get down down down  
Said she love it when I'm fuckin' it, on top of the cover  
shit  
Beat it like a quarter key, make her scream my  
government  
Gotta nigga lovin' it, skeet it in ya face bitch  
Grip me by the balls, I need you to come and taste this  
Need you in my spaceship, floatin' through the city  
I'll be focused on ya titty while we bouth be lookin'  
pretty  
Lemme focus on ya kitty, Bigga do it ri-ight  
All I'm tryna do is spend the ni-ight  
Leave we gon' be puttin' up a fi-ight  
Got them Louis bags on the fli-ight  
Time to say goodbye-yiy

### Chorus:

So just come give it to a nigga girl  
Lemme see ya lil' light twirl  
And then she say why she a freak  
Naw, I heard she was a very nice girl  
I heard she cool, heard she even went to school  
Heard she friends with some nice white girls  
My baby splurge, I like the way she work it  
So baby I hope you like my world

### Verse 2:

Now I'm ballin' on some other shit  
Everywhere we go keep them sweeters on some other  
shit  
Heaters on that mothership  
Damn it biggavell, won't you come make love to me  
Won't you come break off in me, don't you wanna fuck  
with me  
Nigga gimme that, ride him and that Benz, me and  
Mini Max

Put you on ya piggyback, play ya in some pitty-pat  
Baby come and get it, won't you taste it and come lick it  
Got a nigga screamin' ay-yay, we fuck everyday-yay  
We fuck when it's payday, mayday  
Maxy B, I can give a fuck about what you gave me,  
played me  
I ain't havin' nuttin', you's a faggot, plus you stuntin'  
Cop that baggage kuz it's nuffin', I'm established  
I can puff it on the average, I got suttin'  
Bigga, he don't play-yay  
Baby I'm just tryna know ya na-ame  
All them other niggaz is so la-ame  
All they wanna do is lip-si-ing, I'm about to si-ing

Chorus:

So just come give it to a nigga girl  
Lemme see ya lil' light twirl  
And then she say why she a freak  
Naw, I heard she was a very nice girl  
I heard she cool, heard she even went to school  
Heard she friends with some nice white girls  
My baby splurge, I like the way she work it  
So baby I hope you like my world
