There's a new sun  
Risin up angry in the sky  
And there's a new voice  
Sayin were not afraid to die  
Let the old world make believe  
It's blind and deaf and dumb  
But nothing can change the shape of things to come

There are changes  
Lyin ahead in every road  
And there are new thoughts  
Ready and waiting to explode  
When tomorrow is today  
The bells may toll for some  
But nothing can change the shape of things to come

The futures comin in, now  
Sweet and strong  
Aint no-one gonna hold it back for long

There are new dreams  
Crowdin out old realities  
There's revolution  
Sweepin in like a fresh new breeze  
Let the old world make believe  
It's blind and deaf and dumb  
Nothing can change the shape of things  
To come
