Lady Fantasy - Lady Fantasy -
Lady Fantasy - Lady Fantasy - Lady Fantasy.

Lady Fantasy -
Time for me to patch up the harm that you've done.
Don't belong to me

so there's no use in trying to be number one.
Why must you be the one
who keeps giving me heartache all the time
Inventing sweet illusions and steadily poisoning my
mind.
Why make my life a misery
why do you want to make me pay?
Don't try to make a fool of me

better believe me when I say :

I've got my pride

you're firing wide
and just for your information.
I've got my pride

now I decide you've had your last invitation.

Lady Fantasy -
The spell of your pretend personality's through.
It's time for you to see
I've uncovered your unreality.
I've got my pride
you're firing wide

and just for your information. . . .
I've got my pride
you're firing wide

and just for your information. . . .
I've got my pride
now you decide

this is the end of your fascination.
