I fell in love when you were brushing your teeth,
Over my kitchen sink.

I have no means for distraction,
No fuel that feeds the reaction.
I just came all this way, just to say.
I really do believe,
This was much more than meant to be.

I fell under when you were waiting for me.
Over lines fall from time,
What do they mean?

I have no means for distraction,
No fuel that feeds the reaction.
I just came all this way,
Just to say.
I really do believe,
This was much more than meant to be.
I really do believe in you,
I really do believe in me.

I won't give up,
I can't give in,
Can't get enough,
Where to begin?
I won't give up on you,

I can't give in,
Can't get enough of this,
Where to begin?

I won't give up,
I can't give in,
Can't get enough,
Where to begin?
I won't give up on you,
I can't give in,
Can't get enough of this,
Where to begin?
Oh, where to begin?

Let's all get together and start a cure.
Let's all get together and start a over.
Over,
Let's all get together and start a cure.
Let's all get together and start a over.
Over.
Over.
Over.
Over.
