Said it all along, we'll be dead and gone
It's closer than you read, so batter up, kid-
Everything, everything is caving in

Oh oh oh oh ahh ha
Oh oh oh oh ahh ha
Forced to, you could shake it
Or you could write it off!

Said it all along, we'll be dead and gone
It's closer than you read, so batter up, kid-
Everyone, everyone is closing in

Oh oh oh oh ahh ha
Oh oh oh oh ahh ha
Forced to, you could shake it
Or you could write it off!

I will not go quietly! I will not be silenced!
I will not go quiet! I will not stay silent!

I will not! I won't go quiet!
Oh ooh oh
Oh tell me that you won't, you won't go!
