this gets so weird sometimes  
i turn the page and i find  
it's all the same  
as it was

when i was younger  
aching with a hunger  
when i was younger  
i was

you twist my arm  
til i cry  
i'll never know why i lie to you oh

but it's all the same  
as it was

when i was younger  
burning with an anger  
when i was younger

ooooohhhh  
oh no  
ooooohhhh  
yeah

all our time has been trying  
to get our voices heard  
sometimes it felt like dying  
waiting to take our turn

take our turn  
take our turn

when i was younger  
when i was younger  
i was
