I'm counting on you
To count my blessings
I'm countin on you
To count the fingers on my hands
That's the amount of time I've got
I'll always feel drowned and I'll always be around
I'll always feel drowned and I'll always be around
CHORUS:
And now they want to crown me
For the Ghost of the year
(x3)
New message from the airwaves
One saved one alive
A new message hits my brain
I'm alive I'm alive I'm alive I'm somebody today
There's a great deal of fear inside
That I'm right in my conclusions
A great deal of pain inside
And I'm supposed to be alright
(CHORUS x3)
Down on the street
To search for feel
The people on the street they make me real
So I'm counting on you
to count my blessings
I'm counting on you
to count the finngers on my hand
That's the amount of time I've got
(CHORUS x4 to fade)
