Hold tight
Nothing missing
Look around
Pupils glisten
Can you listen?
Or is it that
You've learnt too much
What's your limit?
CHORUS:
You know you've heard
Teeth are clenched
A pack of lies-yeah
Chords in the neck are tense
So hold tight
Sometimes it seems to make no sense
And don't you cry
Yeah yeah yeah yeah yeah
Hold tight
Yeah, I can see ya
You got it all under your skin
Turn around where you stand
Everybody takes aim at adversity
(CHORUS)
Hold tight
I got ya message
I got it all
And there's no limit
The travel between our dreams
Has not come to an end
So let's keep up
Our unholy alliance
(CHORUS)
