Summertime, the sun is high.
She's in the mood to love a guy.

And we go down slowly
As we go down slowly.

Afternoon, chill with ease.
I want some more of
Your cootchy tease.

As we go down slowly.
And we go down slowly.

I said, I love that girl,
She's all I need.
A natural high, she's giving me.

As we go down slowly.
And we go down slowly.

Fire love
Aqua mind
Earth to touch
Air to Rise
[X2]

Slowly.
Slowly.

Love, ah-huh, ow.
Love, ah-huh, ow.
Love, ah-huh, ow.

Ecstasy is in the air.
Summer nights made
For loving, yeah.
Ecstasy is in the air.
Summer nights made
For loving, yeah.

Slowly.

As we go down slowly.
And we go down slowly.

As we go down slowly.
And we go down... slowly.
