and i would like
to tell you waht's true
but what's the point
i can't get to you

and i cannot get a date
you know me
i'll be ;late

i shuffle my feet
to the beat on the city street

and i don't wanna
lay you a line
i haven't had a motor
in quite some time

materials are rubbish
and since i've grown
the less i have
the more i own

i shuffle my feet
to the beat on the city street

don't get in my way

i gotta deadline to meet
don't ask me for change
i barely eat
nothing stops me
once my feet hit the concrete

shuffle my feet

shuffly my feet to the beat
on the city street
boy

don't get in my way
i gotta deadline to meet
don't ask me for change

i barely eat
nothing stops me once my feet
hit the concrete
