i was only 17  
when i got my heart ripped clean  
i was just a baby then

love's so confusing  
the scenes are amusing  
i have to express how i feel

i was only 17  
when i got my heart ripped clean  
how can i forgive you that

love's so confusing  
the scenes are amusing  
i have to express how i feel

one thing i know is true  
i'll never replace you  
a memory i rewind and play
