mommy it hurts
need you touch
to take the weight off

daddy i'm broke
need your funds
to get me through this

i need a drink
maybe that'll
take the weight off

doctor i'm sad
psych degree
can take the weight off

love takes too long
but the sex
will get me through this

christ as a crutch
maybe that'll
take the weight off

mommy i'm sad
need your touch to
take the weight off

daddy i'm broke

need your funds
get me through this

sis fucks in cars
thinks that'll
take the weight off

brother is dead
cause he couldn't
take the weight off

you once shared your heart

thought the trust could
take the weight off

time is so strong
and the numbness
gets you through this

six billion souls
but no one to take the weight off
