Ladies and gentlemen  
The Detroit Theater continues  
Our legendary talent contest  
With the indefatigable Stepp Sisters

IÃ¢â€Œ™ m lookin' for something, baby  
Something thatÃ¢â€Œ™ ll give me a rise  
IÃ¢â€Œ™ m lookin' for something, baby  
Like a real nice surprise

IÃ¢â€Œ™ m lookin' for something, baby  
Something that you have got  
IÃ¢â€Œ™ m lookin' for something, baby  
And itÃ¢â€Œ™ s gonna be real hot

I'm lookin' lookin' lookin'  
Lookin' everywhere  
I'm lookin' high, I'm lookin' low  
No time to stare

So sister, don't get in my way  
Oh, you beware  
As long I can find what's mine  
I just don't care

IÃ¢â€Œ™ m lookin', lookin', lookin' for something  
IÃ¢â€Œ™ m lookin', lookin', lookin' for something  
I'm lookin' for something now

IÃ¢â€Œ™ m lookin' for something, baby  
I'm lookin' for something now  
IÃ¢â€Œ™ m lookin' for something, baby  
I'm lookin' for something now
