I remember what it meant to love
What it felt inside
It was hard when those feelings were strong
And I felt even shy
Oh oh
They gotta believe me
When you ask my name
I always started shaking coz I knew
I was in love with you

[Chorus:]
This is the story of you and I
So hear the story of you and I
This is the story of you and I
Just you and I
So hear the story of you and I
Just you and I
This is the story of you and I

When you had to go so far away
I'd be missing you
You don't know how many nights I'd pray
Tears I'd be crying too
Oh oh
They gotta believe me
When I see ya in my life
When I want you home again
This is a joy of mine

[Chorus:]
This is the story of you and I
So hear the story of you and I
This is the story of you and I
Just you and I
So hear the story of you and I
Just you and I
This is the story of you and i
