All of the guys I have dated  
Find me home to play  
But I never let nobody  
Go all the way  
Oh, but baby, I never felt this way before  
I wanna love you on a fantasy, boy  
But can it be, it makes my nature weak  
For you, for you, for you  
Oh, it must be the boy in you  
Bringing out the girl in me  
Oh, it must be the boy in you  
Bringing out the girl in me  
Ooh... ooh... ooh...  
I would have never let you  
In my younger days  
'Cause all of my life I have lived by  
Old fashioned way  
Oh, but baby, I never felt this way before  
I wanna love you on a fantasy, boy  
But can it be, it makes my nature weak  
For you, for you, for you

Oh, it must be the boy in you

Bringing out the girl in me

Oh, it must be the boy in you

Bringing out the girl in me

Hoo... ooh... ooh...

Yeah, yeah, yeah, yeah...

Oh, baby, I never felt this way before

I wanna love you on a fantasy, boy

But can it be, it makes my nature weak

For you, for you, for you

Oh, it must be the boy in you

Bringing out the girl in me

Oh, it must be the boy in you

Bringing out the girl in me

Oh, it must be the boy in you

Bringing out the girl in me

Oh, it must be the boy in you

Bringing out the girl in me (Ooh, boy, ooh, boy)

Yes, it must be the boy in you

Bringing out the girl in me (Baby, let me give it to you,  
oh)

Oh, it must be the boy in you (Ooh... oh...)

Bringing out the girl in me (I want you)

Oh, it must be the boy in you

Bringing out the girl in me

Oh, it must be the boy in you

Bringing out the girl in me
