Ahhh wahhhh, ahhh waahhh lady  
Lately, Lady  
Make me crazy  
Don't speak no sound  
I want you to prove it to me in the nude  
Addicted to the way you move

Honey, if anything ever should change in you  
Don't worry I'm standing still  
I'm moving with the right wheel

Chorus:  
This is the highest cost,  
Take you and make you off  
Love you and leave you lost  
Will you forgive me?

Assed (Asked?) out all over town  
Drags you and keeps you down  
Two times in a day around  
Will you forgive me?

Verse Â- 1

I can't control the feeling  
Girl cause I know you're here  
I fill you from the floor to the ceiling  
Girl, I'll feel you when you comb your hair

Lady, when we lock it low (ah, ah)  
We get together, it's an overdose  
I'm slippin', I'm here, I'm on my knees  
I feels my heart's about to explode

Chorus:  
This is the highest cost,  
Take you and make you off  
Love you and leave you lost  
Will you forgive me?

Asked (Asked?) out all over town  
Drags you and keeps you down

Two times and I take a round  
Will you forgive me?

Verse Â– 2

Baby, to tell the truth  
When I'm sober I jonez for you  
When it's over I'm overdue (huh)  
Girl, it's no one as bad as  
(No one as bad as you)

You got me, you got me  
You got me  
Slippin around with it  
Around with it, awhile

You got me sick with this love, baby  
I'm so, I'm so in love  
I can't come down

Chorus:

This is the highest cost, oh  
Take you and make you off  
Love you and leave you lost (baby)  
Will you forgive me? (will you forgive me?)

Asked (Asked?) out all over town (ah)  
Drags you and keeps you down (and I know)  
Two times and I take a round  
Will you forgive me?

Verse Â– 3

You're my bad habit baby  
You're my, you're taking  
My soul, down to the level  
Can't escape the way you got me locked up baby  
I gotta break from you, break from you  
Break from you

Chorus:

This is the highest cost  
Take you and make you off  
Love you and leave you lost  
Will you forgive me?

Asked (Asked?) out all over town  
(... assed (asked?) out)  
Drags you and keeps you down  
Two times and I take a round  
Will you forgive me?

\*\*music break\*\*

Will you forgive me  
Will you forgive me  
Will you forgive me

Will you forgive me (maaaaahhhh)  
Assed (Asked?) out all over town  
Drags you and keeps you down  
Two times and I take a round  
Will you forgive me?

I can't control the feelin'  
(Feelin', feelin', feelin', feelin') huh uh  
I can't control the feelin'  
(Feelin', feelin', feelin', feelin') ha ha  
I can't control the feelin'  
(Feelin', feelin', feelin', feelin', feelin')  
I can't control the feelin'  
(Feelin', feelin', feelin', feelin')

In my soul, soul  
In my soul, soul (soul or song here?)

Music until the end...
