Confusing as this is

I hope my kiss can rectify

The lack of part time bliss

A weightlessness inside

Your life, Your life, your life

[1] - Oohh waah let's drown deep in us

Oohh waah make no fight, no fuss

Oohh waah come drown deep in us

In us, in us, in us, in us

I'll wear your liquid kiss

And watch as if inside

Dispel the negative

As if a myth alive

Why should I let you go

How could I let you go

When we be up here all alone

Hula hula baby

[Repeat 1
