They be tryin' ta bring you flowers (Flowers, flowers)
But you prefer your roses blue
Others were tryin' to get in your trousers
I was just tryin' to get into you
I was just tryin' to get with you, honest
S'why them boys be scared of you
You never let them get past pyjamas
(oh)
When you find the time, how can I get to know ya?

Your name, number, game
Tell me anything (i gotta get to know ya)
Your way, words you'd probably say
When you want, I'll be here baby
Longin' to know ya (know ya)

I know that you'll never see me (See me, see me)
I know that i'm not your style
Know that you don't need me
But you do
You drive my dreams wild
Lady i gotta know ya

Name, number, game
(ooh-oh) I gotta get to know ya
Your way, words you'd probably say
When you want, I'm right here baby
Longin' to know ya (feel me)

(oh)
Yeah

Know ya (ha-ha)
Know ya (Ooo)
I gotta get to know ya (Every way, babe, yeah)
(ah hoo-wah haa-ah) Lady I got to know, know, know
your...

Name, number, game
Anything, anything (i gotta get to know ya) Gotta get
you, babe
Oh, if it's the last thing I do girl (longin' to know ya)

I'm a get to know you

Know ya (ha-ha)

Know ya (Ooo)

Longin' to know ya

Know ya (ha-ha)

Know ya (Ooo)
