Embrya

9. Gravity: pushing to pull

All my days and
All my nights and
every hour is devoured
As the dawnin'
Strokes it's mornin'
I'll be wantin' I'll be...

Pushing to pull me
Closer to you dear
Deeper than gravity
Is how I must be dear
I'll be huntin

As the moments
Drip like water
I'll be patient
For my slaughter
As the dawning
Slays the evening
I'll be waiting I'll be...

Pushing to pull me
Closer to you dear
Deeper than gravity
is how I must be dear

I'll be huntin

And though you cause my callin' (and though you know
I'll be hauntin)
And though you smell I'm crawlin' (and though taste
I'll be stalkin)
You still ignore me watching every move babe
Every move babe, every move babe
And though you taste I'm stalkin' (and though you smell
I'll be crawling)
And though you know I'm hauntin' (and though you
cause my calling)
You still ignore my atmosphere on you babe

On you babe, on you babe

All my days and
All my nights and
Every hour is devoured
As the dawnin' strokes its mornin'
I'll be wantin' I'll be huntin'
Pull me: I'll be watching

Pull me: I'll be wanting
Pull me: I'll be lovin
Pull me: I'll be nothing
