All my days and
All my nights and
Every hour is devoured
As the dawnin
Strokes it's mornin
I'll be wantin I'll be
Pushing to pull me
Closer to you dear
Deeper than gravity
Is how I must be near
I'll be hunting
As the moments
Drip like water
I'll be patient
For my slaughter
As the dawning
Slays the evening
I'll be waiting I'll be
Pushing to pull me
Closer to you dear
Deeper than gravity
Is how I must be near
I'll be hunting
And though you cause my callin
And though you smell I'm crawlin
You still ignore me watching every move babe
Every move babe
And though you taste I'm stalking
And though you know I'm haunting
You still ignore my atmosphere on you babe
On you babe
And all my days and
All my nights and
Every hour is devoured
As the dawnin strokes the mornin
I'll be wantin
I'll be hunting
Pull me
I'll be watching
Pull me
I'll be wanting
Pull me

I'll be loving
Pull me
I'll be nothing
