Lonely's the only other company
Unless you're the love no other love can be
Lonely's the only other company
Unless you're the love no other love can be

Since you went away, my heart
([Incomprehensible])
It's ripped into shreds, torn apart
(Come back, baby)
'Cause baby

Lonely's the only other company
Unless you're the love no other love can be

Since you went away, I just
(I cry, baby, I cry, baby)
Look into all of the faces with no trust
(No trust, no trust)
'Cause

Lonely's the only one
Lonely's the only one
And I'm lonely just because
You left me lonely, oh baby

Lonely's the only other company, baby
Lover there ain't no other
Since you went away from me

Oh baby, baby [Incomprehensible]
Since you went away from me
Lonely's the only other company

Lonely's the only
Unless you're the love no other love can be
Since you went away from me
Lonely's the only other company

Lonely's the only
Unless you're the love no other love can be
Since you went away from me
