Took a high from a low
Took my icy freeze and thawed the cold
An inspired undisclosed
It's a privacy that y'all should know

Never wonder 'cause I know
Ain't no other got this flow
Lady lover, lady soul
You're my discovered pot of gold

I found a cure for this
Cococure for this
It's got me pushed on some luxurious
Cococure

It's a happy in a sad
It's a more that's less
It's a glad, drive me crazy

You're my Mommy, you're my Dad
Lady lover never go
You're a part of my heart that is soul

I found a cure for this
Cococure for this
It's got me pushed on some luxurious
Cococure

I found a cure for this
Cococure for this
It's got me pushed on some luxurious
Cococure

Oh no oh no oh no, no no

I found a cure for this
Cococure for this
It's got me pushed on some luxurious
Cococure

I found a cure for this
Cococure for this

It's got me plushed on some luxurious
Cococure

I found a cure for this
Cococure for this
It's got me plushed on some luxurious
Cococure

Cococure for this
Cococure
