[verse 1]

If I had to do it over, If I had to do it again
I would've known, too and this would have neva began
If I made you claustrophobic, Betcha if I gave u an inch
You'll neva know this but there's no one quite like, no
one quite like you

[Chorus: 2x]

I try to forget ya but you're all I wanna do
I can do better but there's no one quite like you

(guitar plays)

[verse 2]

If I made you love me again (If I made you luv me
again)

If I made you want it again (If I made you want it again)
If I gave it you probably wouldn't want it, babe
It's alright cause there's no one quite like you

[Chorus: 3x]

I try to forget ya but you're all I wanna do
I can do better but there's no one quite like you
